CAR SHOW SEASON

It's "CAR SHOW SEASON" once again and these spectacular machines have been busy strutting their stuff already.

There isn't a weekend that goes by without a car show somewhere within an hours drive. Every one of them are worth the short cruise. You will often see some of the same classic beauties but there is usually that one or two eye-catching relic that will draw you to her for a closer look.

These shows will bring back good ol'memories from the past. The easier days for most of us. We have one of our own coming...

...up in Ingleside in September that promises to be as good as any all summer.

The old cars and trucks...and sometimes mystery vehicles will always be the hit of the day, but, there are always other attractions attached to these events.

There will be vendors of all kinds, kids stuff, assorted foods to try and sometimes a little entertainment.

If some weekend you can't decide what to do or where to go for an afternoon, check out any one of these fantastic events.

There's one coming to Ingleside in September.

You don't want to miss it!

LOST VILLAGES HISTORICAL SOCIETY

With the warmer weather now upon us, things are gearing up at the Lost Villages Museum site. Early indicators show that it will be a busy place with many events attracting visitors and guests. The museum is open daily until Labour Day from 10:00 a.m. to 5:00 p.m.

Just today, I spent some time at the museum's archives, and I met a visitor from Australia. He was in the company of a friend from Winchester, and he was told that the museum was "...an important and interesting place to learn about different aspects of local and Canadian history."

On Saturday, June 20, 2026, W3G & Company returned to the museum site for another great "Artisans in the Park". As many vendors reported, Ault Park was the perfect setting for this event. Over 75 vendors were at the park with a wide range of products, and reports indicate that many enjoyed brisk sales.

Canada Day is shaping up to be a fun-filled family event at the museum site. Entertainment on mainstage will begin at 10:00 a.m., and various vendors and displays will be set up around the park. A BBQ will take place at the Farran's Point Pavilion. Little Ray's Reptiles, Children's Activities, and Mini-Train Rides will be exciting activities for the younger set! Activities run from 10:00 a.m. to 4:00 p.m., and we thank our sponsors for help in staging

this event. Once again, Gloria and Rick Waldroff are coordinating this event. Plan to celebrate Canada Day at the Lost Villages. Happy Canada Day!

On Saturday, June 27th, a film crew and actors from Quartusmedia Production Company showed up at the Manson-Lapierre Store at the museum site at 8:00 a.m. While they had filmed last year at our site, they were back for one final film episode of "To Repay Evil" at the store. It was my pleasure to welcome Emmitt Quartus, Producer; Isaiah Brock, Writer/Director/Actor; and Anthony Scarcella, Actor. Quartus was delighted to be back and the crew expressed how perfect our site was for filming.

As well, I was pleased to welcome the Grays and Blues of Montreal and especially Raven and Peter for a children's Civil War workshop on the Canadian participants of that war. Raven and Peter's quest is to educate youth about this important activity associated with the American Civil War and the part played by Canadians.

RIDDLE ME THIS

Q. Three distinct doctors all said that Bill was their brother. Bill claims he has no brothers. How many brothers does Bill actually have?

A. None (The three doctors are Bill's sisters.)

Daughter's text to Dad:

Daddy, I'm coming home to get married soon, so get your checkbook ready. LOL! As you know, I'm in Australia and he's in the US. We met on a dating site, became friends on Facebook, and had long chats on Whatsapp. He proposed to me on Skype and now we've had a 2 month relationship through Viber. Dad, I need your blessing, good wishes, and a really big wedding. Lots of love, Lilly.

Dad's reply:

My dear Lilly, Like Wow! Really? Cool! Whatever... I suggest you two get married on Twitter, have fun on Tango, register for your stuff on Amazon, and pay for it all through Paypal. And when you get fed up with this new husband, sell him on Ebay. Lots of love, Dad.

• "I always wanted to be somebody, but now I realize I should have been more specific." *By Lily Tomlin*

• "Whenever I feel the need to exercise, I lie down until it goes away."

A married couple in their 60's are visited by a fairy who grants them both a wish. "I want to travel round the world with my darling husband" says wife, two tickets for a luxury cruise magically appear in her hand. Husband says: "Sorry but my wish is to have a wife 30 years younger than me." Fairy waves wand and husband becomes 92 ...

Moral of story - men who are ungrateful bastards should remember fairies are female!!!
