SHOP LOCAL—BUY LOCAL HIRE LOCAL DOG DAYS OF SUMMER

This well known phrase reffers to the hot, sultry, and typically uncomfortable weeks of the season, spanning from July 3 to August 11. Despite the common misconception, the phrase has nothing to do with actual dogs, kennels, or dogs panting in the heat.

We are now smack dab in the middle of this wicked heat wave and some may say it's hotter than usual.

As for nothing to do with auctual dogs...I say Bull_ _ _!

Ask your dog how the pads on their feet are while walking on that hot asphalt. Or the...

IS THERE A WEE BIT OF SCOTCH IN YOU?

• So, I'm in a bar and two very large women with accents are sitting across from me. I say, "Cool accents, are you two ladies from Scotland?" One of them yells, "It's Wales, you idiot." So I said, "OK, are you two Whales from Scotland?"

I don't remember much after that.

• A Scotsman and his wife walked past a swanky new restaurant. Did you smell that food?" she asked. "It's smells absolutely incredible!"

Being a 'kind-hearted Scotsman', he thought, "What the hell...I'll treat her!"

So, they walked past it again!

OUT OF THE MOUTH OF BABES

On our way to church, we asked our grandchild why it is important to be quiet in church.

She said, "Because there are people sleeping!"

SORRY BLONDIE

A brunette goes into a doctor's office and says that her body hurts wherever she touches it.

"Impossible," says the doctor. "Show me."

She takes her finger, presses on her elbow, and screams in agony. She pushes her knee and screams, and so it goes on, everywhere she touches makes her scream with pain.

The doctor says, "You're not really a brunette are you?"

She says, "No, I dyed my hair. I'm naturally blonde."

"I thought so," he says. "Your finger is broken."

JOKE OF THE DAY

A man is walking down the street when he sees a woman searching for something under a streetlight. He walks up and asks, "What are you looking for?" "My car keys," she says, looking under the light.

The man kneels down to help her search. After a few minutes, he asks, "Are you sure you lost them here?" She sighs, "No, I lost them over there in the park, but the light's better here."
