CANADA DAY CELEBRATION
TAKE #2

There's an old saying that goes like this,
"If you don't succeed the first time, try and try
again."

That's just what South Stormont is going
to do in regards to this year's Canada Day
fireworks. The 2026 version of Canada's
birthday celebration fell apart thanks to Mother
Nature. That however wasn't going to spoil our
attempt to salvage this event, so we shall
"Try and Try again".

On Saturday, August 29, this summer, we shall attempt another crack at our annual event. As of this print, nothing else is scheduled surrounding South Stormont's biggest showcase of the year.

It's probably not too late for one of our local fundraising groups or service clubs to organize something to compliment the evening.

With good weather, there could be many more spectators than usual, since there isn't any other similar shows going on in the surrounding area. We are already known for having the largest crowds even when other municipalities are doing the same.

Mark your calendars. Stake out out a good spot that suits your family needs for space and parking. Bring some snacks and enjoy a great end to your summer vacation before it's "Back to School".

RICK'S RANCH CHIP TRUCK EXTRAORDINAIRE

"Rick's Ranch", chip truck recently relocated his food truck from Relic Outfitters in Ingleside previously, to Long Sault.

The truck is located on County Rd. #2 next to the roundabout leading to the

parkway. Rick is here to stay. Rick is most known for his delicious fries. When he sets up at the Stormont County Fair each year, he has the longest lines waiting to get his famous fries by themselves or with the best poutine for miles around.

Rick's massive menu will satisfy all cravings for everyone. The hours to start are seven days a week from 11:00 AM to 8:00 PM.

Stop by, give him a try. If you already have, I'm sure we will see you there once again soon.

LOST VILLAGES HISTORICAL SOCIETY

As we near the end of the first full month of summer, the historical society reflects on a very busy month and one that has been filled with many activities associated with the museum and Ault Park.

Tenley, Andie, Wade, Owen and Evan, our summer Historical Interpreters, have already welcomed thousands of visitors to the museum site. They, along with our members, have seen a large increase in international travellers to the museum site. As well, Canadians are spending much vacation time closer to home, with many travelling in Canada.

The recent picnic by the Friendly Circle Senior Citizens Club that was held under the Farran's Point Pavilion was a resounding success, with a delicious picnic, music, and friendly conversation. The historical society is most appreciative of their kind financial donation. As well, the historical society appreciates the kind donation of over \$1,800.00 from the 2026 Bike-a-thon held by the students and staff from Longue Sault Public School. Over the years, the school has supported the conservation and preservation of our community's history with financial donations of over \$40,000.00 to the historical society.

The bus tours "Through the Lands of the Lost Villages" have commenced and two successful tours were held recently. On July 17th, See-Way More Tours from Cornwall

held the first tour for the historical society. A sold-out crowd enjoyed the stories and history of the villages that once hugged the shoreline of the St. Lawrence River in our area. On July 21st, Jim Brownell narrated a tour on the See-Way More bus for the Riverdale Terrace Retirement Home, Cornwall.

While most students are on holidays, there are still summer classes in progress, and it is heartening to learn that educators support history and heritage education. Jim Brownell made a presentation to Penny Latour's class at Morrisburg Public School on July 22nd, and then he hosted students to the museum site on July 24th from the "Reach Ahead" program at C CVS.

It is fair to say that the M.P./M.P.P. Constituency Picnic held on Sunday, July 26th was an outstanding success. Once again, we welcomed M.P. Eric Duncan and M.P.P. Nolan Quinn to the museum site and Ault Park.

Don't forget to mark your calendar for "Doors Open" on August 15th and 16th. The museum will welcome those who visit the various "Doors Open" sites throughout Cornwall and S.D.G. Plaque unveilings will be held at 1:00 p.m. on Sunday, August 16th.

BE CAREFUL WHO YOU'RE DEALING WITH

• A guy asked a girl in a library, "Do you mind if I sit beside you?"

The girl answered with a loud voice, "I DON'T WANT TO SPEND THE NIGHT WITH YOU!!!"

All the students in the library started staring at the guy and he was embarrassed. After a couple of minutes, the girl walked quietly to the guy's table and she told him, "I study psychology and I know what a man is thinking. I guess you felt embarrassed, right?"

The guy responded with a loud voice, "\$200 JUST FOR ONE NIGHT!? THAT'S TOO MUCH!!!" And all the people looked at the girl in shock and the guy whispered in her ears, "I study law and I know how to make someone feel guilty."

- Which letter is silent in the word "scent", the "S" or the "C"?

THERE IS A LITTLE DEVIL IN ALL OF US

• A week ago, my Mother-in-law began reading, "The Exorcist". She said it was the most evil book she ever read. So evil in fact, she couldn't finish it, took it over to the beach and threw it into the ocean off a fishing pier.

I went and bought another copy, ran the water faucet over it and left it in the night table drawer by her bed.

I'm going to Hell.

• I was walking home last night and decided to take a shortcut through the cemetery. 3 girls walked up to me and said that they were scared to walk past the cemetery this late at night, so I agreed to let them walk along with me. I told them, "I understand, I used to get freaked out too when I was alive."

I never seen anyone run so fast!
