Welcome to a new era of The Know-It-All News

In life, we meet a lot of people. Some are here of a reason, and some are here for a season. Dave Smith was with you for many seasons...

You have to be brave to start a media business when media businesses are dying. Brave, or crazy. We ought to know, we did it too. So when I got a phone call from Dave late August looking to see if we would be interested in buying The Know-It-All, I knew we had to hear him out.

Our publications are similar in so many ways: We share the same purpose, the same mission, the same vision. We started the Seeker 16 years ago because there was nowhere affordable for small businesses to advertise. Mai-Liis and I were both small business owners and couldn't afford to pay thousands of dollars to advertise in existing publications, so we sat down, crunched the numbers and decided to start The Local Seeker.

The publication, initially a newsprint, quickly took a life of its own and became so much more than what it was meant to be... But I digress...

2026 Poppy Campaign Announcement

Legion Branch 569, Long Sault

We are fast approaching the 2026 Poppy Campaign and want to let everyone know that there are new dates starting this year for our campaign. Going forward, our Poppy Campaigns will start on October 24th and run until November 11th. This was announced by Ontario Command earlier this year.

This program supports veterans, their families, RCMP and other community organizations that support them.

To have a successful Poppy Campaign, we always rely on our dedicated canvassers, volunteers, Legion Members, Non-Legion Members, and Cadets to promote the Poppy throughout the Township. Our dedicated volunteers will be delivering Poppy boxes and trays around the Township.

If you can spare some time to support this very worthy campaign, please reach out to me (see contact information below), and we can work together to get your times set up.

Canvassing (Tagging) hours are available for both plazas, including Tim Hortons and MacEwen's are flexible and accommodating. Available dates and times are posted on the Poppy Board at the Branch. I encourage everyone to sign up early - even if you can only spare a couple of hours. We always welcome new volunteers with open arms!

The Annual Remembrance Day ceremonies will take place on Sunday November 8th starting at the Ingleside Cenotaph Memorial Square at 10:00 am. Following this service, the parade will move to The Lost Villages Cenotaph at Lakeview Heights, where there will be another service at approximately 11:00 am. If you would like to purchase a wreath, please let me know. Wreaths will be pre-laid, but if you would like to lay your wreath, please let me know in advance and we will ensure that it is set aside for you.

Please dress accordingly. The Poppy Committee is all set and ready to go.

Thank You All,

Simon Lavallee, Poppy Chair 2026

Official Sign Unveiled at RRCA's First Conservation Area in South Stormont

On September 23, 2026, alongside community partners, special guests, and volunteers, the Raisin Region Conservation Authority (RRCA) and the Township of South Stormont unveiled the official sign for the newly named Limestone Ridge Conservation Area – the RRCA's first Conservation Area in South Stormont. The 105-acre natural space, which includes provincially significant wetland and forest habitat, was donated to the RRCA by the Township of South Stormont in 2024.

"This is a special day for the RRCA, the Township of South Stormont, and our entire region," said RRCA Chair and North Glengarry Councillor Jacques Massie. "RRCA Conservation Areas are places where nature is protected for the benefit of our watersheds, communities, and biodiversity. We are honoured by the duty to take care of this 105-acre site we now call Limestone Ridge."

The name Limestone Ridge reflects the area's centuries-long connection to limestone extraction and was chosen through a public vote before being formally endorsed by both the Township of South Stormont Council and the RRCA Board.

"We're thrilled to know that this natural space will be preserved," said South Stormont Mayor and RRCA Board member Bryan McGillis. "With its accessible location, important habitat, and eco-tourism potential, Limestone Ridge Conservation Area is sure to be enjoyed for generations."

The RRCA is currently undertaking restoration and enhancement activities at the site, including invasive species removal and tree planting.

"While the Conservation Area is not yet ready for public access, the

next phase of the project includes exploring the development of a trail

system, creating a Conservation Area master plan, and providing further opportunities for public consultation and community input," said RRCA Acting General Manager Lisa Van De Ligt.

The RRCA currently conserves and maintains more than 2,000 acres of environmentally significant land, including three publicly accessible Conservation Areas. These lands help protect ecologically sensitive habitat, strengthen regional tree cover, maintain green infrastructure for flood resilience, and provide opportunities for recreation and eco-tourism. Together, the RRCA's Conservation Areas offer 20 km of nature trails, available year-round at no cost.

For more information, visit rrca.on.ca/Limestone or contact the RRCA at (613) 938-3611 or info@rrca.on.ca.

LOST VILLAGES HISTORICAL SOCIETY

Welcome to autumn, and the opportunity to witness the colourful transformation of our museum site at Ault Park from the greens of the summer months to the beautiful red, orange, and yellow colours of autumn.

Sunday, September 27th, was the last day of regular programming at the museum site for 2026. We had an amazing year at the museum, and we welcomed visitors from around the world. In early November, we should be able to make our attendance report for 2026.

The help of our volunteers is appreciated throughout the year, and particularly in September of each year. With the majority of our summer Historical Interpreters returning to college and university at the beginning of September, it is necessary to rely on the generosity of our members. They did a spectacular job of welcoming tourists and other visitors to the museum site.

On Sunday, September 13th, a steady stream of visitors stopped around at the museum site to take in the afternoon activities by the Grays and Blues Civil War Re-enactment Society from Montreal. Once again, the reenactors demonstrated parade drills, musket drills, and the firing of cannons. In 2017, at the

Museum site, the Grays and Blues unveiled the National Monument to the 40,000+ Canadians who took part in the American Civil War. Plans are now underway for the 10th anniversary celebrations next year.

On Monday, September 21st, Art Buckland captivated an audience of about 50 members and friends at the monthly meeting of the historical society. Please mark your calendar for Monday, October 29th at 7:00 pm in the John Cleary Room at the Long Sault Arena. This is the date of our next monthly meeting. The guest speaker will be Maddy deJonge, a graduate student at Carleton University and a member of the historical society. She is working on her master's thesis, with her presentation being "What is Mudlarking and Why Does it Matter?"

Another "sold out" bus tour "Through the Lands of the Lost Villages" was held on Friday, September 25th, with Hassan Rafiei, once again, providing excellent service through See-Way More Tours. We are appreciative of the generous donation made to the historical society by Hassan. We look forward to the continuation of these tours in 2027.

On Sunday, September 27th, the Ontario East British Home Child Family made a very generous donation to the historical society following a British Home Child presentation by Jim Brownell.
