SHOP LOCAL—BUY LOCAL HIRE LOCAL THE KNOW-IT-ALL NEWS IS PASSING THE TORCH

The Know-It-All News has been in existence since February 3, 2014. It started as a one-page, folded "Thank You" to South Stormont residents for their support for Grumpy's Sports Bar, which at the time had recently changed hands.

Several local businesses wanted to send a "Thank You" right back to Grumpy's for the community service that the Pub generated for nineteen years.

This went back and forth for several...

...weeks. More and more local businesses were jumping on board and wanted to pay for an ad to help production of this "New" community newsletter that the general public were looking to pick up.

So...there it began. A local community paper, sponsored by local community businesses, used as a source of info for local community not-for-profit charities, and local families to catch up on all the local happenings. Now that's LOCAL!

And there became "THE KNOW-IT-ALL NEWS" SHOP LOCAL — BUY LOCAL — HIRE LOCAL

But...it's time for a change. This old guy is getting tired and there is still a demand for this local rag to continue.

The only community-minded responsibility left was to find someone, not just any one, to carry on this asset for our community-minded people and their families.

The torch will be passed on to the NEW OWNERS on October 1, 2026. Very careful and responsible consideration was taken when deciding on who this would be.

The Know-It-All News will be in good hands. I must honestly admit that everyone involved will be better off. I am proud of that.

In the next edition you will meet the new team of owners. They are very professional, and community-minded. Their past record is proof of that.

I encourage all of our sponsors to continue supporting "THE NEWS". Any charities should contact the paper by cut-off date to continue advertising your events. To those faithful readers, please embrace our new owners as part of our community. I WILL!

Thank You All!

LOST VILLAGES HISTORICAL SOCIETY

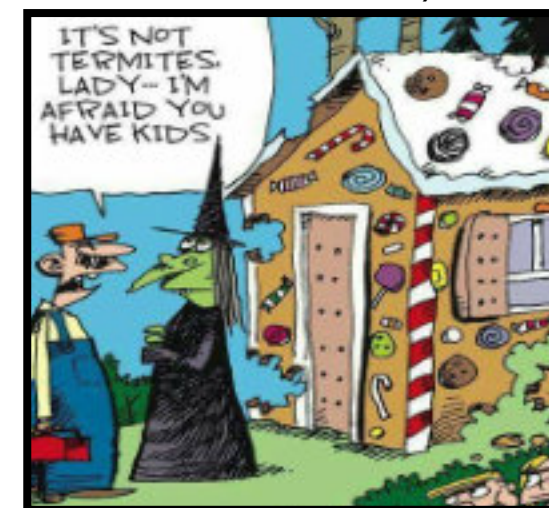

The Lost Villages Historical Society is pleased to announce that the Grays and Blues of Montreal, a Civil War Re-enactment Society, will host another "Civil War Day" at the museum site in Ault Park on Sunday, September 13, 2026, from 10:00 a.m. to 4:00 p.m. After setting up an encampment at 10:00 a.m., the men and women from this group will demonstrate military drill, and musket and cannon firings. The muskets and cannon will be fired during military drill held between 1:00-3:00 p.m. At 11:30 a.m., the ninth anniversary Remembrance Service will be held at the National Monument to the 40,000+ Canadians who fought in the American Civil War. Admission to this event is free, so you are encouraged to visit Ault Park and the museum site.

The 2026 bus tours "Through the Lands of the Lost Villages" have been sold-out events, with the most recent tour held on Friday, August 28th. Again, Hassan Rafiei, the owner/operator of See-Way More Tours, provided outstanding service. With his hospitable attitude and amazing sense of humour, he is the perfect host with his tour bus. I would encourage readers of this report to reach out to See-Way More through the internet and discover the amazing tours that Hassan has organized. By the way, the last bus tour of the season being held on Friday, September 25th is another sold-out event. With the August tour, I received a most

pleasant surprise while patrons boarded the bus. Among the guests was Robert "Bobby" Periard, a former student I connected with when I practise taught in Isabel Fraser's class at Martintown Public School in 1969.

The next meeting of the historical society will be held on Monday, September 21, 2026, at 1:00 p.m. in the South Stormont Community Centre, 2 Mille Roches Road, Long Sault. All members and "friends" of the historical society are cordially welcome to attend. The guest speaker will be Art Buckland, a member of the historical society and a former resident of Sheek Island. Art recently published Journey with a Smile, a recollection of his exciting life. For anyone knowing Art, it is known that he is a man of great humour. This humour is clearly evident on every page of his book. Journey with a Smile chronicles a life well lived by a man who has contributed so much to his community. Art will have books for sale.

IT WAS FUN WHILE IT LASTED

As you all know by now, The Know-It-All News is changing hands.

Before I'm gone, I must thank all of my faithful sponsors. Some have been with the paper since day one, thirteen years ago. It's you guys that made and (I hope will continue) to keep this very popular community paper alive.

Another special thank you to Jim Brownell of the Lost Villages Historical Society, for his brilliant piece every edition. This became a major reason to pick up the paper. Thank you Jim!

There is also someone else who doesn't show up in the column anymore but is the original columnist and founder of the piece you see from "The Friendly Circle Seniors". Thank you Audrey Lamframboise!

There is a time when the best advice we get is from our own body and mind, and mine is saying "LET IT GO".

So...Support the New Owners, Support Local Businesses, and be kind to each other.

Hope to see you all somewhere LOCAL soon!

By David Smith

- A blonde man is in the shower and his wife shouts "Did you find the shampoo?" He answers, "Yes but I'm not sure what to do...it's for dry hair and I just wet mine."

FINALLY! BLONDE MEN JOKES

- A blonde man spots a letter on his doormat. It says on the envelope "DO NOT BEND". He spends the next 2 hours trying to figure out how to pick it up.

- Did you hear about the male construction worker who got stranded on an escalator for 3 hours when it broke down?

- A blonde man shouts frantically into the phone, "My wife is pregnant and her contractions are only 2 minutes apart!"

"Is this her first child?" asks the doctor.

"No!" he shouts, "this is her husband."

- You can tell a good looking man a mile away but up close, you can't tell him anything.
