WAS THAT SUMMER?**

Wow! I must have dozed off. It seems like yesterday that I was planning my garden. I hope that it's just me having my senior moment. Oh well...it is what it is. Time to get ready for the fall and harvest season. I'll try to pay closer attention.

I'm hoping that the rest of you had a good summer. It was very hot at times and also very wet at times. Who could make any plans at all. Never the less, it's back to school, and...

...that will make some people happy.

The Autumn months can be some of the best months of the year. A lot of you will agree. Fruits and vegetables are plentiful. The weather is usually most comfortable and it's prime fair and festival season.

Our own "Stormont County Fair" is ready and eager to get started with the Demolition Derby on Friday night, Sept. 4, to kick off the weekend of fun.

There is always lots to see and people to run into that have been hiding since last year's fair. Catching up is always a great past time.

Take advantage of all that the Fall season has to offer because if you don't...Old Man Winter will be here before you know it.

LOST VILLAGES HISTORICAL SOCIETY

The weekend of August 15th and 16th was a busy one at the Lost Villages Museum. It was Doors Open weekend, and the doors of all the buildings at the museum site were open to the public for the two days. Over 200 visitors signed the guest book at the Manson-Lapierre Grocery Store. The Doors Open Program is celebrating its 25th Anniversary across Ontario in 2026, with the program an initiative of the Ontario Heritage Trust. Locally, the program is driven by SDG Tourism and Cornwall Tourism.

On Saturday, August 15th, the Lost Villages Museum site welcomed the bike riders who were participating in the MS Ride for the Cure from Ottawa to Cornwall and return. Ault Park was the perfect refreshment and rest stop for the bicyclists. They returned on Sunday as they made their way back to Ottawa. We were excited to have the MS Ride for a Cure return to our museum site once again.

On Sunday, August 16th, a special ceremony was held at the museum site and hosted by the historical society and the St. Lawrence Branch of the United Empire Loyalist Association of Canada (UELAC). At 1:00 p.m., President Jim Brownell welcomed all those in attendance, and gave a brief history of Ault Park. Attendees were at the park to see the new plaques that replaced the plaques that disappeared from the Ault Park Memorial Stone last year. The park was

dedicated to Simon William and Caroline (Brownell) Ault in 1914 at its original location at Ault Park on Sheek Island. At the time of the Hydro relocations of the 1950s, the park and memorial stone were relocated to the present museum site. Lennox van de Kamp, the first cousin six times removed to Caroline Brownell, had the honour of unveiling the new plaques that had been installed the day before. Following the Ault Park plaque unveiling, attendees followed the UELAC members to a plaque unveiling in front of the MacLeod Log House. This plaque recognized the UEL settlers of Cornwall and Osnabrock Townships. Following the unveilings, attendees enjoyed a "Lemonade and Sugar Cookie" reception in the Farran's Point Pavilion at the museum site.

The archival collection in the Forbes Memorial Reading Room continues to be a valuable resource for researchers. Recently, we welcomed Vincent Pilon from the Raisin Region Conservation Authority as he researched information on the property that will soon become the Limestone Ridge Conservation Area.

• A police officer called the station on his radio. "I have an interesting case here. An old lady shot her husband for stepping on the floor she just mopped."

"Have you arrested the woman?"

"Not yet. The floor is still wet."

• After 10 years, a wife started to think their child looks kinda strange so she did a DNA test and found out the child is not theirs. She told her husband what she found out. The husband replied, "You don't remember do you? When we were leaving the hospital, the baby pooped and you told me to go change him so I went inside and got a clean one and left the dirty one there."

The wife fainted.

• A husband died. A few years later the wife died. As she got to heaven she saw her husband and ran up to him with tears in her eyes. "Darling, oh how I've missed you!"

The husband extends his arms stopping her from embracing him and says, "Woah there woman. The contract was until death."

• My wife and I went into town to shop. When we came out, there was a cop writing out a parking ticket. We went up to him and I said, "Come on man, how about giving a senior citizen a break?" He just ignored us and continued writing the ticket.

I called him a "butthead". He glared at me and started writing another ticket for having worn-out tires.

So my wife called him a "jerk". He

finished the second ticket and put it on the windshield with the first. Then he started writing more tickets.

This went on for about 20 minutes. The more we offended him, the more tickets he wrote. He finally finished, sneered at us and walked away. Just then our bus arrived, and we got on it and went home.

We try to have a little fun each day now that we're retired. It's so important at our age!

• A husband and wife have been arguing all day. They pass a herd of jackasses. The wife says, "Relatives of yours?"

The husband says, "Yep, in-laws."

• I asked my wife why she married me.

She said, "Because you are funny."

I said, "I thought it was because I was good lover."

She said, "See? You're hilarious!"

"It's funny - we were shopping for back-to-school and my mom was in the aisle skipping and whistling to herself. And I gotta say, I've seen better prices on pencils."
